NEWS RELEASE

January 13, 2009

Private Placement

Sego Resources is pleased to announce a private placement consisting of 485,200 units. Each unit consists of one share at \$0.07 and one warrant exercisable for two years at \$0.10. Total proceeds of \$33,964 will be used for general working capital.

Sego Resources Inc.'s primary project is the Miner Mountain Project a Copper Gold Porphyry Project near Princeton, BC, 15 kilometres north of Copper Mountain Mining Corporation's former copper producer, (closed 1996) that is now planning to re-start production in 2010 following its recent favourable feasibility study. The Miner Mountain Project is situated within the Traditional Territory of the Upper Similkameen Indian Band with whom Sego has an MOU. The Miner Mountain property is 2400 hectares in size.

J. Paul Stevenson, CEO

Sego Resources Inc.

"No regulatory authority has approved or disapproved the information contained in this news release. This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statement of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, statements are not guarantees of future performance and actual results or developments may differ materially from the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continued availability of capital and financing, general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements."
