Sego Resources Announces Engagement of Euro Pacific Canada

Sego Resources Inc. (“Sego Resources” or the “Company”) is pleased to announce that the Company has signed an Engagement Agreement with Euro Pacific Canada Inc. to act as its agent, on a commercially reasonable efforts basis, in raising gross proceeds of up to \$900,000.00 (the “Offering”). Sego Resources will be preparing and submitting to the TSX Venture Exchange a Short Form Offering Document. The terms of the Offering will be released in due course, in accordance with Policy 4.6 of the TSX Venture Exchange. Monies raised will be used for working capital and continued exploration on Sego’s Miner Mountain Project.

Sego Resources Inc.’s only project is the Miner Mountain Project a Copper Gold Porphyry Project near Princeton, BC, 15 kilometres north of Copper Mountain Mining Corporation’s – Mitsubishi’s Copper Mountain Mine. The Miner Mountain Project is situated within the Traditional Territory of the Upper Similkameen Indian Band with whom Sego has an MOU. The Miner Mountain property is 2,056.54 hectares in size.

J. Paul Stevenson, CEO

Sego Resources Inc.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. No regulatory authority has approved or disapproved the information contained in this news release. This release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statement of historical facts that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects re forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, statements are not guarantees of future performance and actual results or developments may differ materially from the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continued availability of capital and financing, general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements.
